

Our Barry Fenton Centre in Malvern East offers a range of support groups, health and social programs, fun and engaging activities, and numerous ways for people to connect with their community including:

Social support groups

Musical entertainers

Music programs

Strength training

Day trips and outings

Carer support groups

Arts and crafts classes

Acquired Brain Injury group

Guest speakers

Podiatry

Services are for people aged over 65, under the Commonwealth Home Support program (CHSP). Younger people are funded under the Home and Community Care Program for Younger People (HACC PYP) and National Disability Insurance Scheme (NDIS). Private funding is also available.
