The mecwacare Malvern Centre is one of Melbourne's premium aged care residences. Designed for privacy and personal space, the immaculately presented private rooms and suites are bright and well proportioned.

Offering 100 beds, residents can select from a range of accommodation options, from single room to three-room suites. All rooms have ensuite bathrooms that can be configured according to their requirements.

Residents enjoy being pampered in the on-site hair and beauty salon, exercising in the gymnasium, catching a movie in the cinema or soaking up the sun in the stunning landscaped gardens. At mecwacare, social and recreational activities are tailored to residents' individual interests with a focus on bringing joy.

The team at the centre regularly organises lifestyle programs and outings to support the connection between residents, staff and the local community, and maintains a positive and vibrant culture.

The mecwacare Malvern Centre includes community rooms where residents can meet and entertain, and a private dining room for residents who wish to celebrate special functions or family gatherings.

One of the most popular elements of the centre is the landscaped outdoor area. These courtyards and gardens, with park benches surrounded by stunning flowers and open skies, bring much joy to our residents.
