# Your NDIS journey with mecwacare

Here's what you need to do:

1

## Contact Us

Whether you are self/nominee managed, plan managed or NDIA, all referrals go to our NDIS Service Coordinator. Give us a call on **8573 4692**.

2

## First Appointment

Once the NDIS Service Coordinator has processed your request, an appointment will be made for you to meet with a mecwacare Disability Liaison Officer.

3

## Service Agreement

Next your Service Agreement will be created. This ensures we share the same expectations about the support and services provided to you. A copy of your service agreement will be given to you.

4

## Support Services

mecwacare then provides the support services outlined in your service agreement.

5

## Progress Tracking

Together we track your progress against your goals and discuss with you.
