Ballan Retirement Village

Relaxed country living meets convenience, comfort and community at the Ballan Retirement Village

Living in a friendly community of like-minded people, residents have the freedom to choose the life they want to enjoy.

mecwacare's Ballan Retirement Village gives residents the opportunity to maintain their independence and freedom, while living in a quiet precinct close to other mecwacare services. Join a close group of like-minded people, enjoying country ambience, away from the hustle and bustle of city life.

Security, privacy, and the convenience of close-knit community living add to the comfortable lifestyle that awaits you, while emergency call systems add perfect peace of mind. Your neighbours are like minded people with whom you can connect and socialise.

mecwacare's residential aged care facility is conveniently located neighbouring the retirement living units, offering continuity of care should your care needs change. This provides the opportunity for tenants to have priority access to 24/7 care and supported living when required, ensuring minimum

impact to daily life and that you can maintain peace of mind remaining in familiar surrounds.

Socialise with new friends over drinks or dinner, enjoy access to the nearby associated pool and gym.

Just across the block is mecwacare's Healthy Ageing Hub, with access to general practitioners, nurses, pathology services, and allied health services including podiatrists, dietitians and more.

With access to home care services including Home Care Packages and private care, all you need to do is focus on enjoying your retirement in peace.

Services can include domestic assistance such as cleaning, personal care such as showering and dressing, nursing, food preparation, allied health services, transport and community outings, such as shopping.

You don't need to stress about leaving your furry friend behind. Pets can be welcomed to the village with prior documentation and approval, with lovely walks and parks around in which to stroll.
