FLOOR PLAN

Unit 4 is in a great corner location within the village and has a lovely, manicured backyard where you can enjoy time in the garden, play with your fur baby or relax and/or entertain with family and friends in a great undercover area.

This unit has two living areas that include a separate front formal lounge room, plus a family room with an adjoining meals area leading into a modern kitchen with ample cupboard space.

Timber flooring throughout certainly gives a fresh modern and contemporary look. Other features include ducted heating, evaporative cooling, with an additional electric wall heater to help keep you warm through those Winter nights.
